Re: Region 5 All Star Team

Dear Region 5

The official deadline date for acceptance of All Star Team entries has past. The results show the inclusion of a wide range of gymnastics clubs and some very impressive scores. The top 9 athletes (8-J.O and 1-Elite) are listed in rank order and feature 6 new All Star Team Members. The next 3 rank ordered athletes have been added to fill the available elite spots (we only need 1 elite spot this year due to so many of our athletes qualifying to the USA National Team), and they too are first time qualifiers to the Region 5 All Star Team. Athletes 1-9 will be honored at our upcoming Regional Mini Congress Banquet along with all ELITE NATIONAL TEAM MEMBERS.
